

Optimum support with repairs, DIY and upcycling projects: With GEDORE red's comprehensive socket wrench sets 1/4" + 1/2"

Remscheid, 12.05.2022 – *High-quality tools are not only essential for safe and efficient work in the trade, but also help with repairs in the home. And anyone who wants to carry out their own DIY projects or upcycle old things to give them a new lease of life, needs functional helpers that provide them with the optimum support for their creative activities. The GEDORE red contains a number of tool sets for these requirements. The two Socket sets 1/4"+ 1/2" R46003100 with 100 and R46003094 with 94 pieces, for instance, contain well-planned tool combinations that are perfect for the many different tasks that are tackled by all kinds of professionals and DIYers.*

Socket set 1/4" + 1/2" R46003094 (special price in the current IMPULSE promotion €99.95 including VAT) contains an extensive selection of useful tools that is the perfect basic set for professionals and DIYers alike. **Socket set 1/4" + 1/2" R46003100 (RRP €226.09 including VAT)** includes reliable tools that are suitable for professional use as well as for the many large and small challenges in the home. In addition to the wide range of screwdriving tools, this universal all-rounder also contains other practical equipment.

Both sets contain (in 1/4" and 1/2") a fine-toothed 2C reversible ratchet, two socket wrench extensions (50 and 100 mm, and 125 and 250 mm), a universal joint and various 6-edge socket wrench inserts. The 1/4" sets are complemented by a square plug-in handle and a sliding T-bar handle. The two ranges also both contain an extension piece/slider 3/8" x 1/2" and a hexagon socket key set in 1.5 to 2.5 mm (94 pieces) or 1.5 to 10 mm (100 pieces) .

The 94-piece set R46003094 also has 1/4" versions of screwdriver inserts with hexagon sockets, slot, cross-slotted head PH and PZ, and Torx and (in 5/16") bits, again with hexagon sockets, slot, cross-slotted head PH and PZ, plus Torx. Various socket wrench inserts in 6-edge, a bit adaptor and spark plug inserts, all in 1/2", complete this tool set, which makes it ideal for working on cars.

The 100-piece set R46003100 contains additional bits in 1/4" with hexagon sockets, slot, cross-slotted head PH and PZ, Torx and a bit adaptor. The other accessories make this set the perfect all-rounder for use in the home. Along with combination spanners in key widths 8 to 19 mm, an adjustable spanner 250 mm, and various screwdrivers in slot and cross-slotted head PH, plus side cutters 180 mm, needle nose pliers 200 mm, water pump pliers 250 mm and an engineer's hammer 500 g.

The high-quality tools in both sets are made of chrome-vanadium steel, and have a matt satin chrome-plated finish. The 2-component handle of the ratchets and pliers are pleasant to hold and extremely hand-friendly in use. The individual parts are organised and clamp-secured in place in robust GEDORE red plastic cases. This means that nothing gets lost, the tools are within easy reach at all times, and easy to put away and transport.
