

## Numerous highlights and innovations for industry and trade professionals The new "MAGIC" promotion by GEDORE

Remscheid, 08.03.2022 - From 1.4.2022, **GEDORE** will be presenting the new **MAGIC promotion**: That's 120 pages bursting with a variety of premium tools at particularly attractive conditions. The extensive range contains efficient, safe and innovative tool solutions for use by industry and trade professionals and discerning DIYers.

The new MAGIC comprises a total of 268 products, including 52 highlights and innovations from precise torque tools to practical tool sets and mobile tool furniture. There will also be special pages with detailed information on the functions and features of the highlights.

One new addition to the GEDORE portfolio, for instance, are two sets with a well-designed collection for various bolting tasks. The **Ratchet spanner set 7 RA 183 (RRP €178.38 including VAT)** with pliers wrench, spanners with ratchets and adapters, plus the **Socket set 19 DMU 183 (RRP €260.61 including VAT)**, also with pliers wrench and fine-toothed 1/2" lever-change reversible ratchet, universal extension and various socket bits.

With regard to GEDORE's core competence torque, the promotion offers (among other items) various models of the innovative torque wrench **TORCOFIX TF-K**. They allow controlled tightening over a range of 20 to 850 N-m, ensure safe bolting, and facilitate intuitive use (**RRP from €177.31 including VAT**).

The strong 3-piece **Pliers set** consisting of universal pliers, bent nose pliers and heavy-duty side cutter (**RRP €83.18 including VAT**) and the reliable **Tool trolley 2005-TS-308 (RRP €3,235.61 including VAT)** are also among the highlights of the new MAGIC. Along with plenty of storage space and a mobile work surface, this model also has a 308-piece tool set that optimally supports most of the tasks in everyday workshop life.

The new **MAGIC** promotion with these and many other **GEDORE** tools, is valid from 1.4 until 31.12.2022.

### **About GEDORE**

GEDORE is one of the world's leading partners for premium tools. The family company based in Remscheid in Germany has been manufacturing high-quality tools, special tools and tailor-made solutions for versatile, safe and professional use by industry and trade since 1919. GEDORE bundles the competencies of the entire group of companies in a strong brand that is known all over the world to stand for very special quality, innovation, performance, reliability and excellent service.

With over 16,000 products, GEDORE has one of the widest offers of any European tool manufacturer. It ranges from A for axes to torque tools, screwdrivers and workshop equipment, to Z for zone valves. The closest attention is paid to every single detail of every single GEDORE tool. Qualified staff, intelligent construction, first-class materials and modern manufacturing methods are the basis of the GEDORE quality promise. Over one hundred years of forging competence and our constant striving for perfection enable us to produce tools in their best form: Tools for life.
